Sir,

R

. Adverting to Government Proceedings No. 5123-5 Sanitary 94-14-4 dated 2nd January 1915, I have the honor to state that the period of six months for which six additional vaccinators were employed under the Malnad Improvement Scheme, one for each Taluk, expires on the 30th June 1915.

2. From the report of the District Health Officer -- under whose supervision the staff is working, it is learnt that notwithstanding the circumstance that these vaccinators were provided with outfits in the middle of February last and that two of them have since taken ill and off duty, 1104 successful cases of vaccination have been performed in the malnad tracts by the additional agency alone and that the measure is gradually gaining popularity.

3. As the vaccination work is one of the important items in the programme of the operations of the Malnad Improvement Committee, a sufficient provision (Rs 1,200) has been provided in the ensuing year's budget submitted to Government in this office No. 116 dated 10/11th June 1915.

4. I request sanction of Government may kindly be - obtained for the extension of the services of the staff
